

Crooked Tree Golf Course Play-Thru Guide

1st Hole

Par 4

Distance from:

Blue Tee – 340 yards
White Tee – 298 yards
Gold Tee – 281 yards
Red Tee – 254 yards

One of the easiest holes on the course. Bunkers guard both sides of the fairway with OB on the right. Good tee shot will leave you short second shot to an elevated green.

2nd Hole

Par 4

Distance from:

Blue Tee – 426 yards
White Tee – 404 yards
Gold Tee – 371 yards
Red Tee – 316 yards

Probably the hardest par 4 hole at Crooked Tree. Water comes into play for long hitters off the tee. After a good tee shot you are left with a demanding 2nd shot to a small green that only accepts good shots.

3rd Hole

Par 4

Distance from:

Blue Tee – 422 yards
White Tee – 377 yards
Gold Tee – 345 yards
Red Tee – 327 yards

Tee shot across water to a left to right fairway. Midrange 2nd shot requires extra club to an elevated green.

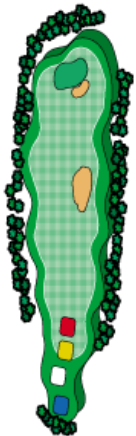

4th Hole

Par 4

Distance from:

Blue Tee – 356 yards
White Tee – 316 yards
Gold Tee – 287 yards
Red Tee – 279 yards

Left to right tee shot helps set up a short iron to a small green that slopes right to left.

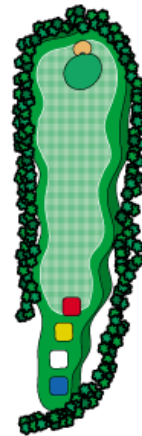

5th Hole

Par 4

Distance from:

Blue Tee – 370 yards
White Tee – 316 yards
Gold Tee – 302 yards
Red Tee – 288 yards

Right to left slight dogleg with a fairway bunker that narrows the fairway for long hitters. Green is guarded by a bunker in front. Player should use an extra club to this green.

6th Hole

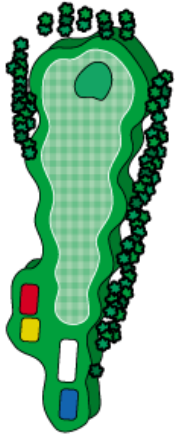

Par 4

Distance from:

Blue Tee – 303 yards
White Tee – 287 yards
Gold Tee – 274 yards
Red Tee – 259 yards

Straight away hole with the most demanding tee shot on the course. Fairway is only 20 yards wide with OB to the right and behind the green.

7th Hole

Par 3

Distance from:

Blue Tee – 194 yards
White Tee – 174 yards
Gold Tee – 157 yards
Red Tee – 145 yards

Don't let this hole fool you. No hazards, but this hole plays a lot harder than it looks with OB to the right.

8th Hole

Par 4

Distance from:

Blue Tee – 289 yards
White Tee – 243 yards
Gold Tee – 225 yards
Red Tee – 210 yards

Short par 4 that is reachable off the tee for long hitters. Green is very tricky sloping right to left making anything from eagle to eight a possibility.

9th Hole

Par 5

Distance from:

Blue Tee – 460 yards
White Tee – 408 yards
Gold Tee – 374 yards
Red Tee – 353 yards

Another demanding tee shot to a fairway that slopes severely from left to right. With a good tee shot this hole can be reached in two. Green is protected by two bunkers that make this hole play to a true par 5.

10th Hole

Par 4

Distance from:

Blue Tee – 414 yards
White Tee – 348 yards
Gold Tee – 307 yards
Red Tee – 264 yards

From the back tees, this is the longest par 4 at Crooked Tree. Long 2nd shot to a huge green protected by two greenside bunkers.

11th Hole

Par 3

Distance from:

Blue Tee – 182 yards
White Tee – 160 yards
Gold Tee – 141 yards
Red Tee – 127 yards

Our signature hole. This hole is all carry across water to a green that is protected by greenside bunker and OB long and right.

12th Hole

Par 4

Distance from:

Blue Tee – 401 yards
White Tee – 357 yards
Gold Tee – 342 yards
Red Tee – 333 yards

Straight away but demanding tee shot with bunkers left and OB right. Second shot plays shorter than yardage to a green protected by oak trees on left and bunkers on right.

13th Hole

Par 3

Distance from:

Blue Tee – 170 yards
White Tee – 146 yards
Gold Tee – 130 yards
Red Tee – 125 yards

A pretty straightforward par 3 guarded by bunkers right and left.

14th Hole

Par 5

Distance from:

Blue Tee – 501 yards
White Tee – 477 yards
Gold Tee – 493 yards
Red Tee – 333 yards

Any number is possible on this par 5 that is reachable in two for long hitters. Green is very well protected with bunkers on both sides and water to right.

15th Hole

Par 4

Distance from:

Blue Tee – 383 yards
White Tee – 357 yards
Gold Tee – 234 yards
Red Tee – 215 yards

A great hole that requires a decision off the tee to a green that is protected by water short and right.

16th Hole

Par 4

Distance from:

Blue Tee – 343 yards
White Tee – 348 yards
Gold Tee – 317 yards
Red Tee – 281 yards

A short par 4 that requires two very accurate shots to have a chance for birdie. Green is slightly elevated and does not accept mediocre shots.

17th Hole

Par 5

Distance from:

Blue Tee – 570 yards
White Tee – 521 yards
Gold Tee – 484 yards
Red Tee – 429 yards

Our longest par 5. This hole plays its yardage to a two tiered green that is tricky to putt and protected by three bunkers.

18th Hole

Par 4

Distance from:

Blue Tee – 420 yards
White Tee – 341 yards
Gold Tee – 329 yards
Red Tee – 312 yards

A good long finishing hole from the back tees. From the front tees water comes into play off the tee. Second shot can play 2 clubs different depending on the pin placement on this huge green protected by three greenside bunkers.
